

# Beach volleyball set

1640504

This fixed, versatile Beach volleyball system can be used for three different beach sports: Beach volleyball, beachtennis and beach footvolleyball. The poles are made of high-quality materials that are resistant to sand, moisture and UV radiation.

The posts are easy to install. Using the built-in tensioning system the net is easy to tension evenly.

The padding ensures player safety. There is no need to remove the padding when adjusting the height of the net.
