

# IHF competition handball goals

**1615750**

**1615755**

Top competition handball goals approved by the International Handball Federation, with IHF Seal of Approval. These highly stable aluminium goals are 150 cm deep and are fitted with a convenient collapsible bracket to secure the net supports. The rounded corners and the flush-mounted net hooks ensure maximum safety for the players. The support frame is fixed to the floor in no time thanks to the quick lock tension system. This goal is available as a freestanding or as a socketed model.

## Technical specifications:

Goal frame:	Inner dimension 3x2 m conform to current standards. Extra stable, thick-walled aluminium with rounded corners, profile 80x80 mm, wall thickness 3 mm. Impact-resistant white epoxy coating and blue stripes.
Corners:	With internally bolted frame corners (without protruding parts).
Net supports:	Sturdy, collapsible bright galvanized metal net supports (Ø 35 mm).
Collapsible bracket:	Folding bright galvanized metal bracket securing the net supports into game position. Easy to use, no loose parts.
Net hooks:	min. 35 plastic hooks to connect the net, completely embedded in the rear construction of the goal for maximum safety.
Finish:	Goal frame and net supports have plastic vent plugs, preventing damage to the floor.
Floor connecting system:	The goals must always be connected to the floor or placed in sockets. Contact us for the correct floor attachments.
Delivery:	Delivered unassembled for easier transport. Easy installation.
Standard:	with IHF Seal of Approval.
