

DR. DISH CT+

WELCOME TO COMPLETE TRAINING

Built for complete team training, the CT+ allows players to quickly and easily build drills, compete with others using multiplayer mode, and view your statistics in real time.

21.5" TRUE TOUCHSCREEN

Easily browse and build workouts on the largest, fastest touchscreen on the market.

OFFLINE MODE

Pre-download your most used drills to access high-level training anytime and save your stats without wifi.

DIGITAL REMOTE

Use your phone like a remote to pass the ball anywhere on-demand.

DR. DISH TRAINING MANAGEMENT SYSTEM™ ACCESS

Analyze team shooting data plus create, save, and assign custom drills, workouts and programs to your players.

PRO TRAINERS ON-DEMAND, 24/7

Access more than 250+ custom workouts from the best trainers and D1 Coaches in the game.

INSTANT ANALYTICS

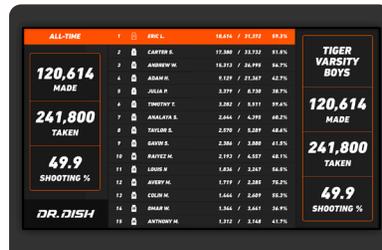

Easily view your makes, takes, and percentages during your workouts.

BUILD CUSTOM DRILLS

MULTI-PLAYER MODE
